During a severe thunder storm just across the Marion county line in Alachua county near Evinston yesterday about eleven o'clock, Andy Wingo, an aged colored man, was struck by lightning and instantly killed. Andy had been gathering melons on the place of Mr. L. Miller, and as the rain came up sought the shelter of a large pecan tree near the house. The white people in the community say that Andy was an exceptionally well behaved negro and his sudden taking away was very much regretted.

SMARTEST GAME OF THE SEASON

OCALA LOST, BUT THE CONTEST WAS LIVELY AND INTERESTING

The game between Starke and Ocala yesterday resulted in a victory by 2 to 1 for the visiting team. The game, however, was one of the most interesting of the season; in fact, many well posted fans said it was the best; and the fact that the home team was beaten did not prevent them from thinking they had the worth of their money.

Everybody was proud of the new grandstand, and if it had been only half as large it would have been almost full. The attendance was the largest at any game this summer.

As for the game, Starke has a A-1 team, and while the Ocala boys played well, they might have played just a little better. They have won a long series of victories, with the inevitable result that it has made them just the least little bit careless. The defeat of yesterday will brace them up, and they will be the better for it when they meet Clearwater next week.

Following were the line-ups:
Ocala: Zewadski, ss; Harris, lf; Batts, rf; Galloway, cf; Davis 2b; Dewey, 3b; Chazal, 1b; Anderson p; Bullock, c; Dinkins, c.
Starke: Bartley, 1b; Chancey, ss; Bensley, 3b; Baisden, lf; Alvarez, 2b; White, c; Alderman, rf; Moitt, cf; Hoke, p.

Following is the story of the game by innings:

Ocala: Davis singled, Dewey struck out, Chazal died on a grounder to the pitcher and Anderson struck out, ending the inning.

Third Inning

Starke: Alderman struck out; Moitt went to second when Zewadski juggled the ball and threw wild to first. Ecke struck out. Hartley singled, scoring Moitt. Chancey drove a fast one right over second. Bartley scored and Chancey was safe at second. Bensley was out on a grounder to first.

Ocala: Bullock struck out, Zewadski singled, Harris struck out. Batts singled. Galloway ended the inning with a grounder to pitcher.

Fourth Inning
Starke: Baisden singled, Alvarez tried to bunt but he raised it too high.

Chancey and Bensley Held Down Everything at Second

Fifth Inning

Starke: Alderman went out on a grounder to Anderson. Moitt died on a grounder to Chazal. Hoke struck out.

Ocala: Anderson singled but was forced at second on Bullock's grounder. Bullock was out trying to steal second. Zewadski grounded out to Hoke.

Sixth Inning

Starke: Bartley struck out, Chancey was out on a grounder to third; Bartley flew out to second.

Ocala: Harris struck out; Batts went out on a fly to second and Galloway died on a grounder to second.

Seventh Inning

Starke: Baisden flew out to center, Alvarez singled but was caught stealing second. White was out on a long fly to Batts.

Ocala: Davis grounded out to second. Dewey and Chazal were out on flies to short.

Eighth Inning

Starke: Alderman was out on a grounder to second. Moitt died on a roller to short. Hoke struck out.

Ocala: Anderson grounded out. Bullock surprised everybody with a clean single over second, but he was sent down to second and put out. Zewadski reached first on an error but Harris was out on a grounder to third.

Ninth Inning

Ocala: Batts was thrown out on a grounder to short. Galloway struck out; Davis tried to start a rally but was out on a grounder to short.

GOVERNMENT PUZZLED ABOUT OLD GREASER

IS HE A FUGITIVE CRIMINAL FROM MEXICO OR A GUEST OF AMERICA?

(Associated Press)

The request was submitted by representatives of the Villa governor of Chihuahua state. No decision of extradition is expected, pending the disposition of the charges against Huerta at El Paso.

CAN'T GO TO MEXICO FROM THIS COUNTRY

The United States is determined to keep Huerta from entering Mexico from the United States. The various departments today are considering four ways of detaining him. Secretary Lansing intimated the federal government could withdraw the charges of his violating neutrality and surrender Huerta to the Villa commander at Juarez. Secretary of Labor Wilson is considering a plan to deport Huerta to Spain under the immigration laws.

General Funston has been ordered to use the military forces at his command to prevent Huerta from crossing the border while out on bail.

The department of justice is gathering evidence to prosecute Huerta under the federal statutes. Secretary Lansing mentioned that under one treaty, governors of contiguous states in Mexico and the United States can arrange directly for the requisition of a fugitive from justice.
